David,

Attached is a copy of the data that EPA released through a FOIA response on July 16, 2018.

In addition, at approximately 11:00 c.s.t. today, an EPA website concerning this matter is scheduled to go active. EPA will be posting the same information on the website that we have provided through the FOIA response.

As I indicated in my voice mail to you yesterday, feel free to call me to discuss this matter. As I also indicated, EPA is willing to meet with Central Sands if requested.

Thanks, Chuck
